## Generic responses:

A cleric says: Believe!

A fighter says: Ugh, me tough!

A guard says: Pay your taxes!

A jester sings: Ho Ho Ho!

A merchant says: Will you buy my apples?

A thief says: Psst, wanna buy a watch?

A wizard says: Hex-E-Poo-Hex-On-You!

## Barkeep Tips:

Some fighters wear magic helms!

Aviators use skull keys!

Mages carry wands or staffs!

Sailors [*sic*] wear blue tassles! [*sic*]

Guards carry keys!

Ankhs open space!

Planes need brass buttons!

## All Oracles and Sages tell the same rhyme:

Time and travel made me wise,

precious gold, a clue it buys!

How much will you pay \*100?

1: The queen is the king and the king is a spy.

2: The evil men do is a horrible thing.

3: But dispelling means that you must have the ring.

4: Just where it is I cannot say.

5: But I'll tell you right now, there is no other way.

6: I hear in a town where the water runs free.

7: There is an old man living under a tree.

8: He has not a name but he does have a clue.

9: Mayhaps if you find him he'll tell it to you!

## Tributes to the King:

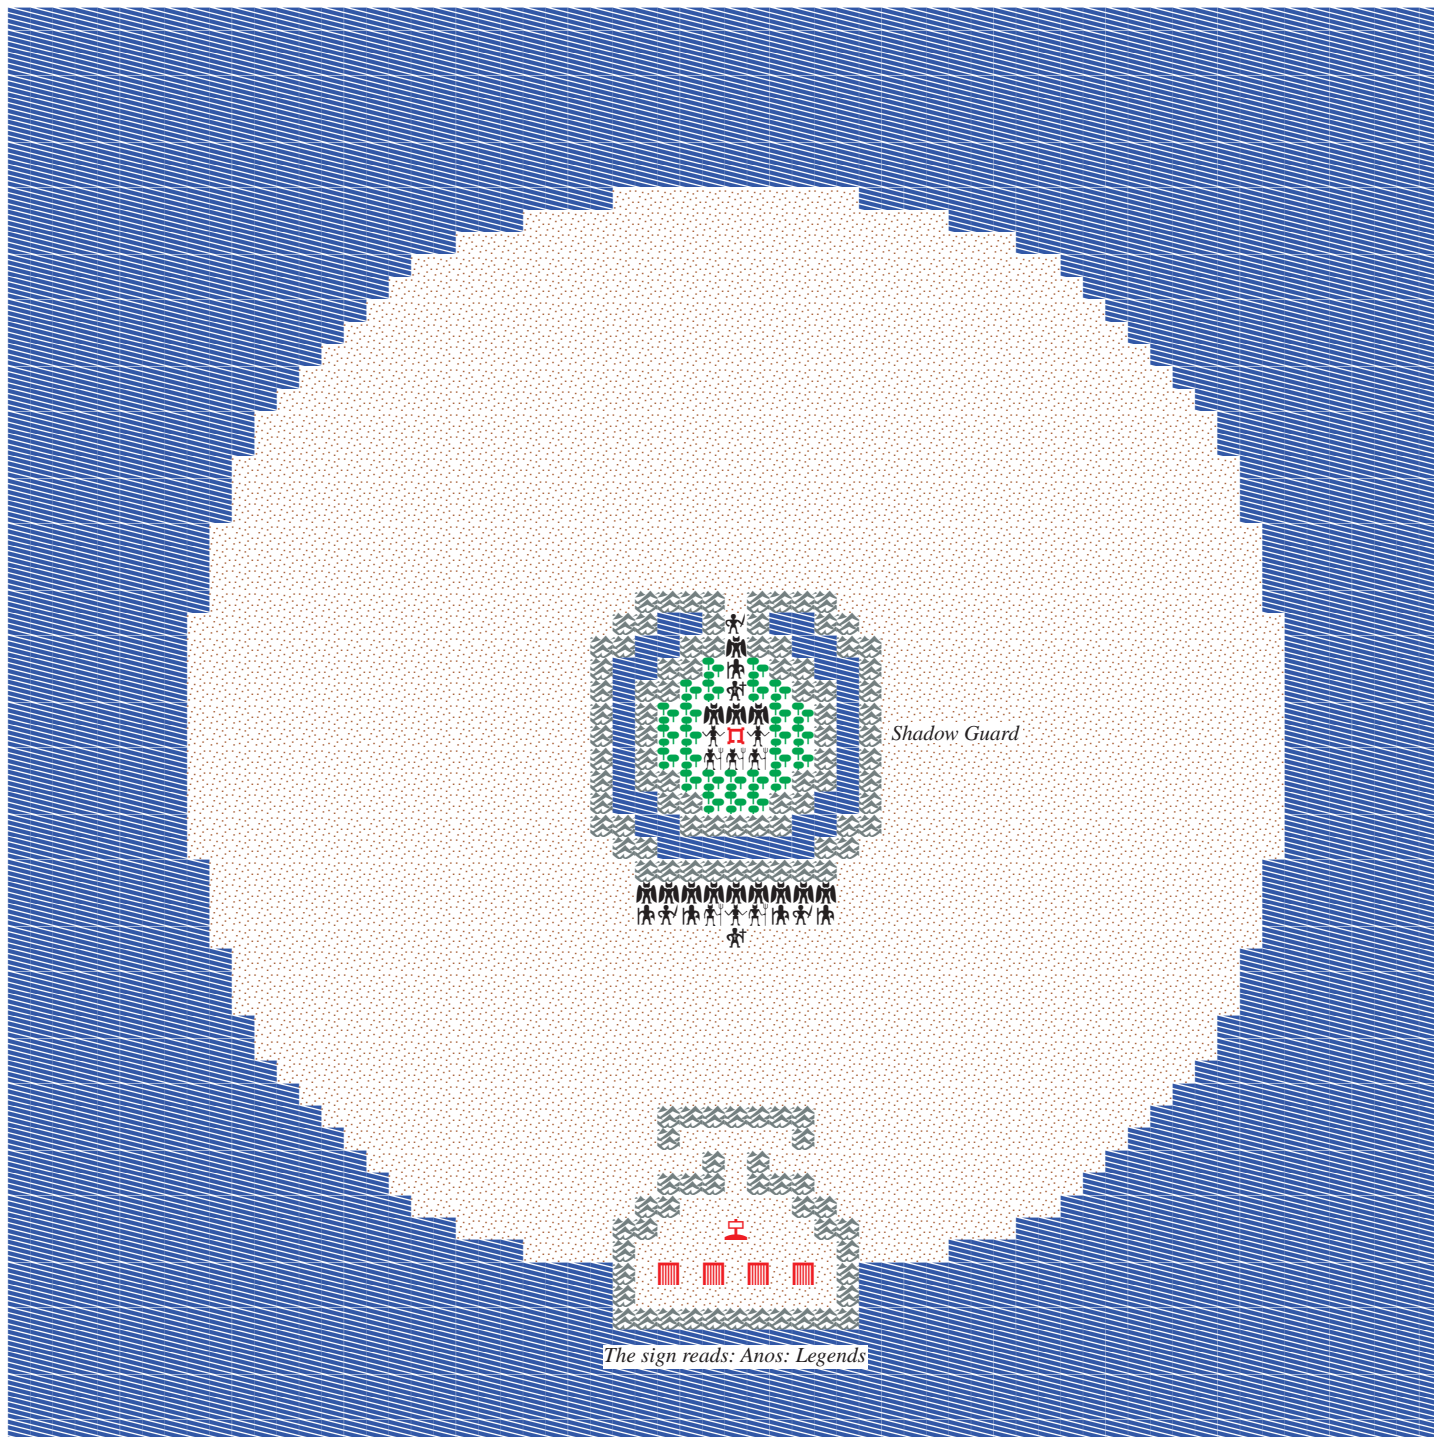

Your current hit points:	Hit points he gives you:
more than 7500	100
between 5000 and 7500	200
less than 5000	300

Do not hyperwarp to (4-4-4) or you'll hit the sun and die.

Towers start at level 0 and go up to get to numerically higher levels. Dungeons start at level 0 and go down to get to numerically higher levels.

In dungeons and towers, you can only go forward through doors and secret passageways; you cannot retreat through them.

Swamps do 5 hp damage. Force fields do 1000 hp damage.
